

death, and the deaths of thousands of young people just like her every year tragic is that Long QT Syndrome can be easily screened for and treated quite effectively.

Sparkling Angel Charities, wants to become the leader in promoting awareness of LQTS and other arrhythmia illnesses that affect our young people.

Our goal is to provide low or no cost ECG/EKG screening tests to high school students, tests that can quickly identify kids that are at risk for a host of potentially deadly heart problems. Initial funding will begin the education and awareness-building campaign and aid the creation of the first testing protocol .

Help Us...To Help Our Kids!

Please join us in providing these very valuable programs to the kids of our community. By filling out the sponsorship form attached, you are making a strong statement about your commitment to our young people. Thank you for helping Kelly's Spirit to Live On!

Sparkling Angel Charities
The Kelly Weaver
Memorial Fund

Sparkling Angel Charities- The Kelly Weaver Memorial Fund

was created in September 2001 as a memorial to Kelly Weaver, who died suddenly at the age of 21 from an undiagnosed heart condition.

Our daughter Kelly was a very active and passionate young woman who had already accomplished much in her short lifetime. She dreamed of working with children and young people, especially those with special needs and handicaps.

Just as Kelly believed that our children are our future, so too does **Sparkling Angel Charities**. Our goal is to improve the lives of young people through the creation and support of programs and facilities focused on children's needs, especially those who have special challenges in their lives.

To those who had the chance to know her, Kelly had a sparkling personality that drew people to her because of her boundless warmth and joy for life. **Sparkling Angel Charities** is more than just a tribute to Kelly...it is an opportunity to continue her spirit as a legacy to a short life, well lived...a life she wanted to spend in service to others.

We thank you for your love and support.

Henry and Monica Weaver, Co-Chairman

OUR MISSION - To Help...Now!

Sparkling Angel Charities endeavors to maximize the spiritual, educational and practical life skills of our young people by providing information, systems and tools to improve their quality of life and the lives of those who love them.

Our model of providing community support will always involve a strategic partnership with an existing community-based organization currently providing valuable services to the kids

Kelly most wanted to spend her life helping.

The first project of **Sparkling Angel Charities** is in partnership with Providence Speech and

Hearing Center, a non

profit organization that has been helping hearing and speech-impaired young people for over 20 years. The project involves the creation of a lending library that will provide, free of charge, state-of-the-art but expensive hearing and assisted learning impaired children.

These devices will dramatically improve or, in some cases, actually make learning possible for many speech and hearing

impaired youngsters. And, perhaps most importantly, with the support of **Sparkling Angel Charities** and Providence Speech and Hearing Center, this new library can be up and running within a very short period of time!

Our Goal - To Educate...and Protect!

Kelly's too-soon passing was the result of a silent and often undiagnosed killer...a genetic heart condition called Long QT Syndrome.(LQTS) What makes Kelly's

I WANT TO HELP...

...to carry on Kelly's dream of helping kids.
Please consider me a sponsor of
Sparkling Angel Charities
The Kelly Weaver Memorial Fund.
